Online Course Enroll Instructions

You Must Read and Confirm You Understand this Information Before Enrolling in an Online Course!

Cost and Access Timeframe

- Online courses are self-paced, computer-based training modules. Review these [tips and technology requirements before you begin](#).
- Online courses cost \$10.00 per course. **There are no refunds or transfers for online courses.**
- Online courses can be accessed after paying for the courses. Once you **begin** a course owned by DCF, you will have **45 days** to complete the course. If you do not complete the course in the allotted 45 days, you must pay for the course again to continue. Courses owned by DOE do not have any time restrictions.
- After paying for your online course, you can immediately start the course by selecting the “[Take or Resume Online Courses](#)” option on the main menu.

Earning In-service Hours and CEUs

- **In-service hours and CEUs can only be earned once for each course.** Before enrolling in a course, review your transcript to make sure you have not previously taken that course.
- To earn CEUs for courses owned by DCF, you must complete and pass the assessment with 80% or higher within 60 days of completing the course. Review this information on [how to earn CEUs](#).
- When you complete a course, allow 48 hours for your in-service hours or CEUs to post to your transcript.

Additional Info

- Before enrolling in a course, make sure you know what courses are required for the type of child care program you work at or are seeking. Review the specific training requirements for these program types: [Child Care Facility](#), [Family Day Care Home](#), or [School-Age Only Facilities](#).
- Each course has a Participant Guide within the online module. You can print this Participant Guide or you can [purchase a guide here](#).
- We do **not** recommend taking online courses on a cell phone.

Remember -- there are no refunds or transfers!

Check this box to verify you have read and understand this information.
