The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Department's inspector general, the state's Chief Financial Officer or the Auditor General.

AUDITS

PART I: FEDERAL REQUIREMENTS

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in 2 CFR §§ 200.500-200.521.

In the event the recipient expends \$750,000 or more in Federal awards during its fiscal year, the recipient must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR §§ 200.500-200.521. The recipient agrees to provide a copy of the single audit to the Department's Single Audit Unit and its contract manager. In the event the recipient expends less than \$750,000 in Federal awards during its fiscal year, the recipient agrees to provide certification to the Department's Single Audit Unit and its contract manager that a single audit was not required. In determining the Federal awards expended during its fiscal year, the recipient shall consider all sources of Federal awards, including Federal resources received from the Department of Children & Families, Federal government (direct), other state agencies, and other non-state entities. The determination of amounts of Federal awards expended should be in accordance with guidelines established by 2 CFR §§ 200.500-200.521. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR Part 200 §§ 200.500-200.521 will meet the requirements of this part. In connection with the above audit requirements, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR § 200.508.

The schedule of expenditures should disclose the expenditures by contract number for each contract with the Department in effect during the audit period. The financial statements should disclose whether or not the matching requirement was met for each applicable contract. All questioned costs and liabilities due the Department shall be fully disclosed in the audit report package with reference to the specific contract number.

PART II: STATE REQUIREMENTS

This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(2), Florida Statutes.

In the event the recipient expends \$500,000 or more (\$750,000 or more for fiscal years beginning on or after July 1, 2016) in state financial assistance during its fiscal year, the recipient must have a State single or project-specific audit conducted in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules

of the Auditor General. The recipient agrees to provide a copy of the single audit to the Department's Single Audit Unit and its contract manager. In the event the recipient expends less than \$500,000 (less than \$750,000 for fiscal years beginning on or after July 1, 2016) in State financial assistance during its fiscal year, the recipient agrees to provide certification to the Department's Single Audit Unit and its contract manager that a single audit was not required. In determining the state financial assistance expended during its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Children & Families, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

In connection with the audit requirements addressed in the preceding paragraph, the recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 or 10.650, Rules of the Auditor General.

The schedule of expenditures should disclose the expenditures by contract number for each contract with the Department in effect during the audit period. The financial statements should disclose whether or not the matching requirement was met for each applicable contract. All questioned costs and liabilities due the Department shall be fully disclosed in the audit report package with reference to the specific contract number.
