# Removal Date vs. Date Entered Foster Care

## (F) RELEVANT DATES (may precede PUR)

[Statutory Citation: §§ 472(a)(1) & (2) of the Act and 475(5)(F); Regulatory Citation: 45 CFR §§ 1355.20(a), 1356.21(k), and 1356.22]

### 10. On what date was the child removed from home?

Enter the date of physical removal unless the child was constructively removed. If the child was constructively removed, enter the date the court sanctioned the judicial removal, in a judicial removal, or the date of the final signature on a voluntary placement agreement, in a voluntarily placement. (A constructive removal occurs when a judicial ruling or voluntary placement agreement sanctions the child's removal from the parent or another specified individual, but the child is living with an interim caregiver at the time of the removal. It applies to a removal that occurs on or after 3-27-2000 for a child who has not lived with an interim caregiver longer than 6 months prior to the constructive removal. If the constructive removal occurred before 3-27-2000, note that below in *Comments*. Also, if the child had lived with an interim caregiver longer than 6 months before the constructive removal, note that below. The case is not marked as in error when answering Question 10, if the constructive removal requirement is not met. The eligibility requirements pertaining to constructive removals are specifically addressed at Questions 21(a) and 22.)

Removal date (month/day/year): \_\_\_\_\_

Question 10 records the date of the child's most recent physical or constructive removal from the home of a parent or another specified relative in accordance with a court order or voluntary placement agreement.

Comments:

11. Earlier date of judicial hearing with finding that child was subject to abuse/neglect (typically probable cause finding) or 60 calendar days from removal

10. Date of physical or constructive removal  
– documented in petition/order

### 11. On what date did the child enter foster care?

Check the *N/A* box, if appropriate, based on the following instructions:

For a removal according to a voluntary placement agreement: Indicate *N/A*.

For a court-ordered removal before March 27, 2000: Indicate *N/A*.

For a court-ordered removal on or after March 27, 2000: Indicate *N/A* if the foster care episode terminated before 60 days of removal and a judicial finding of abuse or neglect was not rendered prior to the end of the foster care episode.

N/A ☐

Otherwise, record the *date the child entered foster care* based on the following information:

- **Initial placement in foster care setting:**  
Record the month, date, and year the child is considered to have entered foster care, as based on the definition in § 475(5)(F) of the Act and federal regulations at 45 CFR § 1355.20(a) and described below, if the child initially was placed in a foster care setting (foster family home or childcare institution) at removal.
- **Initial placement in non-foster care setting:**  
(1) Record the month, date, and year the child was placed in a foster care setting, if the child initially was placed in a detention facility or other non-foster care setting and was in the non-foster care setting longer than 60 days before being placed in a foster care setting. Or,  
(2) Record the month, date, and year the child entered foster care as defined below, if the child's placement into foster care from a non-foster care setting occurred within 60 days of his or her removal from the home.

Entry date (month/day/year): \_\_\_\_\_

As defined in § 475(5)(F) of the Act and 45 CFR § 1355.20(a), the date the child is considered to have entered foster care is the date that is the earlier of either a judicial finding to the effect that the child has been subjected to child abuse or neglect or 60 calendar days after the date the child is removed from the home through a court order or voluntary placement agreement. The *date the child entered foster care* usually is not the same date as the date of removal (Question 10 or Question 13). The date recorded in Question 11 is the date used to determine when to obtain the initial judicial determination of reasonable efforts to finalize the permanency plan (Question 19). The title IV-E agency may use the date the child is physically removed from home. However, for the IV-E review, the "*date child entered foster care*" is the date as defined in § 475(5)(F) of the Act and 45 CFR § 1355.20(a), consistent with HHS Departmental Appeals Board (DAB) Decision No. 1903.

Comments:

13d. Potential for Error if child was removed/placed at the end of one month and Contrary to Welfare finding obtained in the next month. Effective From date on 'Initial Determination' should reflect 1<sup>st</sup> of month in which hearing occurred to prevent this.

13d. Were title IV-E funds paid before the month in which the contrary to the welfare requirement was met?

If the bold YES box is checked, this indicates a potential error case or case with ineligible payments.

Regardless of the removal date, the title IV-E agency may claim title IV-E maintenance payments from the first day of the child's placement in the month in which all title IV-E eligibility criteria are met for the child. [See 8.3A.15, Question #1 of the CB Child Welfare Policy Manual (CWPM).]

If a title IV-E maintenance payment was made for a period that was prior to the month in which the eligibility requirement was met and the ineligible period was outside the PUR, the title IV-E maintenance payment is disallowed.

If a title IV-E maintenance payment was made for a period that was prior to the month in which the eligibility requirement was met and the ineligible period was in the PUR, the child's sample case is in error and the title IV-E maintenance payment is disallowed.

Record ineligible period(s) on the attached Improper Payment Chart.

### 15. Was the child's removal pursuant to a voluntary placement agreement?

Indicate **YES** or **NO**. If the removal was pursuant to a voluntary placement agreement, enter **YES**.

If the removal was not pursuant to a voluntary placement agreement, enter **NO**.

YES ☐

NO ☐

**NOTE:** If **NO** is the response to this question and Question 12, the response also is **NO** to Question 18. For title IV-E eligibility, a child must be removed in accordance with the requisite judicial determination (Question 12) or a voluntary placement agreement (Question 15).

## (H) VOLUNTARY PLACEMENTS *Continued*

### 16. If Question 15 is YES, was the voluntary placement agreement signed by the parent or legal guardian and the title IV-E agency?

Indicate **N/A** if this was a court-ordered removal. Otherwise, indicate **YES** or **NO**.

YES ☐

NO ☐

N/A ☐

If the response is **NO**, this is an error case.

Record the signature date of the agreement. If signings occurred on different dates, record the date of the final signature.

Voluntary placement agreement signature date (month/day/year): \_\_\_\_\_

Consistent with § 472(f)(2) of the Act, the parent or legal guardian and the title IV-E agency representative must sign the *voluntary placement agreement* for it to be valid. If all required parties did not sign the *voluntary placement agreement*, the child is ineligible for title IV-E for the entire foster care episode.

Record ineligible period(s) on the attached *Improper Payment Chart*.

Comments:

16. Date of VPA is the last signature date which should be from the Department representative.

# Voluntary Removals

## 17. Was there a judicial determination regarding the child's best interests within 180 days of the foster care placement through a voluntary placement agreement?

Indicate YES or NO and record the date of the judicial finding, including the month, date, and year. Indicate N/A, if the judicial determination was not obtained and fewer than 180 days have elapsed since the foster care placement date (or signature date, if the child was constructively removed) and the last day of the PUR. Also, indicate N/A if the child was judicially removed.

YES ☐ NO ☐ N/A ☐

If the bold NO box is checked, this indicates a potential error case or case with ineligible payments.

Judicial finding date (month/day/year): \_\_\_\_\_

As specified in § 472(e) of the Act, to extend title IV-E eligibility beyond 180 days of placement in foster care, there must be a judicial determination within the first 180 days of the foster care episode to the effect that continued out-of-home placement is in the child's best interests, thereby extending foster care placement through the voluntary placement agreement. The "clock" for the first 180 days of the foster care episode begins on the date the child is physically placed in foster care. If constructively removed, the "clock" for the first 180 days of the foster care episode begins on the date the voluntary placement agreement is signed by all necessary parties. If signings are on different dates, it begins on the date of the final signature.

**NOTE:** If the voluntary placement agreement is terminated, revoked, or otherwise no longer in effect prior to obtaining the judicial determination regarding the child's best interests, title IV-E eligibility ends on the day the voluntary placement agreement is terminated, revoked, or not in effect and the child becomes ineligible for the remainder of the foster care episode. Under these conditions, the response is NO to Question 17.

Comments:

### 17(a). If Question 17 is NO, were title IV-E funds paid for the period of ineligibility?

Indicate N/A if this was a court-ordered removal. Otherwise, indicate YES or NO, based on a NO response to Question 17.

YES ☐ NO ☐ N/A ☐

If the bold YES box is checked, this indicates a potential error case or case with ineligible payments.

If a title IV-E maintenance payment is made for the period in which compliance with the requirement is not met and the ineligible period is outside the PUR, the title IV-E maintenance payment is disallowed.

If a title IV-E maintenance payment is made for the period in which compliance with the requirement is not met and the ineligible period is in the PUR; the child's sample case is in error and the title IV-E maintenance payment is disallowed.

Record ineligible period(s) on the attached *Improper Payment Chart*.

If more than 180 days of the child's placement in foster care have elapsed in a removal through a valid voluntary placement agreement and there has been no judicial determination of best interests, the child's eligibility for title IV-E ceases on the 181st day. The child's eligibility also ceases on the day the voluntary placement agreement is terminated, revoked, or not in effect if this occurs prior to obtaining the judicial determination regarding the child's best interests.

Comments:

17. Best Interest finding is required within 180 calendar days. If not, cannot claim for the remainder of the removal episode.

# Valid Removals

## (I) VALID REMOVALS

[Statutory Citation: §§ 472(a)1 & 2 of the Act; Regulatory Citation: 45 CFR § 1356.21(k)(2)]

### 18. Has there been a *valid removal* of the child from the home during the most recent foster care episode?

Indicate **YES** or **NO**. The response is **NO** if the response is **NO** to Questions 12 and 15. The response also is **NO** if the child is removed from the parent or another specified relative through a court order or voluntary placement agreement, and the child remains with the same relative in that home under that relative's responsibility and the title IV-E agency's supervision.

YES ☐

NO ☐

If **NO**, the child is ineligible for title IV-E for the entire foster care episode.

Record ineligible period(s) on the attached *Improper Payment Chart*.

For title IV-E eligibility, a *valid removal* is a removal that is in accordance with a *voluntary placement agreement* (VPA) or a judicial finding of *contrary to the welfare* (CTW) that sanctions the removal (physical or constructive) of the child from the parent or legal guardian who signs the VPA or whose home is the subject of the CTW finding. [See § 472(a)(1) of the Act and 45 CFR § 1356.21(k).]

Consistent with 45 CFR § 1356.21(k)(2), a removal is not valid under title IV-E when the child is removed from the specified relative through a voluntary placement agreement or a court order, and the child remains with that same specified relative in the home under that relative's responsibility and the title IV-E agency's supervision.

For court-ordered removals, the physical removal from the above-referenced specified relative must coincide with the CTW finding. If the physical removal does not take place by the end of the next business day of the CTW finding and the court order does not specify an alternative time frame for removal, the child is ineligible for the entire foster care episode unless there is an extenuating circumstance that delays the physical removal. If there is an extenuating circumstance related to the delayed removal, notify the Children's Bureau (CB) team leader so that the relevant case information can be referred to the CB Central Office for further consideration.

Explain below in *Comments* the specific reason the requirement is not satisfied.

18. The child cannot physically remain with the subject of the Contrary to Welfare finding unless the court order specifically outlines an alternative timeframe.

Note: Contact OCFW for guidance on completing IV-E determination in these instances.

# Reasonable Efforts to Finalize the Permanency Plan

19. Determine if REFPP finding was required during the Period Under Review

## (J) ONGOING JUDICIAL ACTIVITY (Reasonable Efforts to Finalize the Permanency Plan) *Continued*

Applicable to Court-Ordered Removals Only

[Statutory Citation: § 471(a)(15)(B)(ii) and (C) of the Act; Regulatory Citation: 45 CFR § 1356.21(b)(2) & (d)]

### 19. Was the child in foster care 12 months or more before the last day of the PUR?

Indicate *N/A* if the removal was the result of a *voluntary placement agreement*. Otherwise, indicate *YES* or *NO*. A *YES* response is based on the date in Question 10, for a removal before March 27, 2000; or Question 11, for a removal on or after March 27, 2000. If Question 19 is *NO*, a judicial determination of *reasonable efforts to finalize the permanency plan* was not due for the PUR. Questions 19(a)–19(f) are *N/A*.

YES ☐

NO ☐

N/A ☐

Comments:

### 19(a). If Question 19 is YES, what was the date of the most recent judicial determination of reasonable efforts to finalize before the PUR?

Indicate *N/A* if: (1) the removal was the result of a *voluntary placement agreement*; (2) the response to Question 19 is *NO*; (3) the date of the initial judicial determination fell within the PUR; or (4) the due date for the judicial determination fell within the 12-month period immediately before the PUR but was not made. Explain below in *Comments* the specific reason for the *N/A* response. Otherwise, record the month and year of the last judicial determination obtained before the beginning of the PUR.

N/A ☐

Date of most recent judicial finding (month/year): \_\_\_\_\_

Question 19(a) establishes whether an *initial* or *subsequent* judicial finding is required for the 12-month period that includes the PUR.

### 19(b). What was the due date of the judicial determination due 12 months from the date recorded in Question 19(a)?

Indicate *N/A* if the removal was the result of a *voluntary placement agreement*. Otherwise, record the date of the judicial determination that was due 12 months from the date recorded in Question 19(a). If a date is not recorded in Question 19(a) because the required judicial determination was not made before the PUR, record the month and year it should have been made and note below in *Comments* the reason for the recorded date.

### 19(c). On what date was the judicial determination in Question 19(b) made?

Explain below in *Comments* the specific reason for the *N/A* response. Otherwise, for the judicial determination referenced in Question 19(b), record in Question 19(c) the month and year that the *initial* or *subsequent* judicial determination was made. If the judicial determination was due but not made, note this below in *Comments*.

# Reasonable Efforts to Finalize the Permanency Plan

## 19(d). Was the judicial determination recorded in Question 19(c) timely?

Indicate **N/A** if the removal was the result of a *voluntary placement agreement* or if Question 19(c) is *N/A* because 12 months have not elapsed since the date recorded in Question 19(b) and a judicial determination was not made during that interim period. Explain below in *Comments* the specific reason for the *N/A* response. Otherwise, indicate **YES** or **NO** based on the date recorded in Question 19(c).

YES ☐ NO ☐ N/A ☐

If the bold **NO** box is checked, this indicates a potential error case or case with ineligible payments.

A judicial determination is not considered timely if the finding is not made within the required 12-month time frame. The date of the latest judicial determination is used to determine the date the subsequent one must be made. An untimely judicial determination renders the child ineligible beginning on the first day of the month after it is due and continuing to the first day of the month it is attained.

Explain below in *Comments* the specific reason the requirement is not satisfied.

Comments:

## 19(e). If Question 19(d) is **NO**, were title IV-E funds paid as a result of the untimely judicial determination?

Indicate **N/A** if the response to Question 19(d) is *N/A* or **YES**. Otherwise, indicate **YES** or **NO**.

YES ☐ NO ☐ N/A ☐

If the response to Question 19(e) is **YES**, this indicates a potential error case or case with ineligible payments.

If the untimely judicial determination is attained in the month immediately following the month it is due, the child regains eligibility beginning that month and title IV-E maintenance payments that are made for that period are considered properly paid. On the other hand, if the untimely judicial determination is not attained within the month immediately following the month it is due, the child loses eligibility until the requisite judicial determination is made and the associated title IV-E maintenance payments are disallowed. [See 45 CFR § 1356.21(b)(2).]

If the title IV-E maintenance payment is made for a period in which the child is not eligible and the ineligible period is outside the PUR, the title IV-E maintenance payment is disallowed.

If the title IV-E maintenance payment is made for a period in which the child is not eligible and the ineligible period is in the PUR, the sample case is in error and the title IV-E maintenance payment is disallowed.

Record ineligible period(s) on the attached *Improper Payment Chart*.

Comments:

19(d) and (e). Determine if the REFPP finding was obtained timely and potential 'Error Case' and/or 'Ineligible Payments'

## 20. Was the child removed from the home of a specified relative?

Indicate YES or NO and record from whose home the child was physically or constructively removed (e.g., parent, aunt, legal guardian) according to a court order (Question 12) or voluntary placement agreement (Question 15). For title IV-E eligibility, the removal home is the home of the specified relative who is the subject of the contrary to welfare judicial determination, or who signs the voluntary placement agreement.

If the bold NO box is checked, this indicates an error case with ineligible payments, and the child is ineligible under title IV-E for the entire foster care episode.

In a judicial removal, the court order might indicate that the child was removed from the home of various individuals, such as a specified relative or an unrelated caregiver. In a voluntary placement, a parent or legal guardian (related or unrelated) might have signed the voluntary placement agreement. However, to qualify for title IV-E, a valid removal of the child from a specified relative must occur for the most recent foster care episode. [See 45 CFR § 1356.21(k).] A specified relative may be a parent or any relation by blood, marriage, or adoption who is within the fifth degree of kinship to the child. [See 45 CFR § 233.90(c)(1)(v).] When the child is living with an interim caregiver at removal, the child is considered to be constructively removed from the specified relative who is the subject of the contrary to welfare judicial determination or who signs the voluntary placement agreement. A constructive removal is a non-physical removal that occurs only on paper from that specified relative. Constructive removals apply to judicial or voluntary removals occurring on or after March 27, 2000, for a child who has not lived with an interim caregiver longer than 6 months prior to the constructive removal.

20. Removal Home:

20. The removal home is the subject of the contrary to welfare finding.

**9. Contrary to Welfare:** In accordance with section 39.402(8)(h), placement of the child(ren) in shelter care is in the best interest of the child(ren). Continuation in the home is contrary to the welfare of the child(ren) because the home situation presents a substantial and immediate danger to the child(ren)'s physical, mental or emotional health or safety, which cannot be mitigated by the provision of preventive services and placement is necessary to protect the child(ren), as shown by the following facts:

☒ The child(ren) was/were abused, abandoned, or neglected, or the child(ren) are suffering from or in imminent danger of injury or illness as a result of abuse, abandonment, or neglect. The specific findings in Paragraph 8 above are incorporated as though fully set forth herein and support the Court's finding that continuation in the home is contrary to the welfare of the child.

☐ The parent or legal custodian has materially violated a condition of placement imposed by the court, specifically: \_\_\_\_\_

☐ The child(ren) have no parent, legal custodian, or responsible adult relative immediately known and available to provide supervision and care, specifically: \_\_\_\_\_

**10. Cause of the Removal:** The conditions that led to the child(ren)'s out of home placement were caused by the ☐ Mother; ☐ Father; ☒ Mother and Father   
 SDNES

Note: Petition may be used if order is not clear.

21. Child must have lived with the specified relative (subject of CTW) within 6 months of date court proceedings were initiated (Date AFDC Applies).

21(a). If Question 21 is **NO**, had the child lived with the specified relative within 6 months of the date the court proceedings were initiated, or the date the voluntary placement agreement was signed?

Indicate **N/A** if Question 20 is **NO** or Question 21 is **YES**. Otherwise, indicate **YES** or **NO**.

YES ☐ NO ☐ N/A ☐

Date child last lived with specified relative (month/year): \_\_\_\_\_

Date court proceedings initiated (judicial removal only) (month/year): \_\_\_\_\_

Date voluntary placement agreement signed (date recorded in Question 16) (month/year): \_\_\_\_\_

If the response is **NO** to Questions 21 and 21(a), the child is ineligible for title IV-E for the entire foster care episode and the case is an error case.

For title IV-E eligibility purposes, a child must be living with a specified relative during the month in which court proceedings are initiated to remove the child from that relative's home or the month in which the specified relative signed a *voluntary placement agreement*. The only exception to this requirement is when a child has not been living with that specified relative in such month, but has lived with that relative within 6 months of the initiation of court proceedings or signing of the *voluntary placement agreement*. [See § 472(a)(3)(A)(II) of the Act and 45 CFR § 1356.21(l)(2).] When the child is living with an interim caregiver at removal, the child is considered to be constructively removed from the specified relative who is the subject of the *contrary to welfare* judicial determination or who signs the *voluntary placement agreement*. Calculation of the 6-month period for the *living with* requirement is based on calendar months and is not counted from date to date. For judicial removals, the date the court proceedings are initiated is usually the date on which the removal petition is filed with the court.

**NOTE:** If a removal petition (1) is not filed or (2) is filed after the removal court order, then use the date of the removal court order as the date the court proceedings are initiated.

Comments:

21. If Question 20 is **YES**, was the child *living with* that specified relative in the month court proceedings were initiated or the date the voluntary placement agreement was signed?

If Question 20 is **NO**, indicate **N/A**. Otherwise, indicate **YES** if the child was living with the specified relative (referred to in Question 20) in the month that court proceedings were initiated to remove the child, or on the date the *voluntary placement agreement* was signed (date that is recorded in Question 16). Indicate **NO** if the child was not living with that specified relative during either time frame.

YES ☐ NO ☐ N/A ☐

Date child last lived with specified relative (month/day/year): \_\_\_\_\_

Date court proceedings initiated (judicial removal only) (month/day/year): \_\_\_\_\_

Date voluntary placement agreement signed (month/day/year): \_\_\_\_\_

If the bold **NO** box is checked, this indicates a potential error case or case with ineligible payments.

For judicial removals, the date the court proceedings were initiated to judicially remove the child is usually the date the removal petition is filed with the court.

**NOTE:** If a removal petition (1) is not filed or (2) is filed after the removal court order, then use the date of the removal court order as the date the court proceedings were initiated.

Under § 472(c)(2) of the Act, an allowable foster care placement for title IV-E eligibility purposes is a foster family home, group home, public childcare institution of 25 children or fewer, or private childcare institution. The Other category should be used only when the child has not lived in one of the placement types listed.

NOTE: Beginning on October 1, 2010, the definition of a childcare institution also includes a supervised independent living placement in which a youth age 18 years or older is living independently. [See § 472(c) of the Act.] A youth who is eligible to remain in foster care until age 19 pursuant to a state title IV-A plan option (as in effect July 16, 1996) may be placed in a supervised independent living setting. O1 36a. If the foster family home was newly licensed before October 1, 2008, and the title IV-E agency did not "opt out" of the 1997 criminal record check requirement, was a CRC completed satisfactorily on the foster parent(s)?

Indicate N/A if (1) the child's placement was not a foster family home; (2) the foster family home was newly licensed before November 19, 1997, and the title IV-E agency's approved delayed effective date for the fingerprint-based CRC is on or after October 1, 2008 (or the title IV-E agency's approved delayed implementation date) and remained continuously licensed after this date. Otherwise, indicate YES or NO.

Question 36(a) applies to the CRC requirement for those foster family homes where the title IV-E agency's approved delayed effective date for the fingerprint-based CRC is on or after October 1, 2008 (or the title IV-E agency's approved delayed implementation date) and remained continuously licensed after this date. Otherwise, indicate YES or NO.

For the IV-E review, the CRC requirement is considered met for the PUR for those foster family homes newly licensed on or after October 1, 2008 (or the title IV-E agency's approved delayed effective date for the fingerprint-based CRC is on or after October 1, 2008 (or the title IV-E agency's approved delayed implementation date) and remained continuously licensed after this date. O1 36c. If the foster family home was newly licensed on or after October 1, 2008, was a fingerprint-based CRC of the National Crime Information Databases (NCID) completed satisfactorily on the foster parent(s)?

Indicate N/A, if (1) the child's placement was not a foster family home; or (2) the foster family home was newly licensed before October 1, 2008 (or the title IV-E agency's approved delayed implementation date) and remained continuously licensed after this date. Otherwise, indicate YES or NO.

Explain below in Comments the reason for the N/A response.

Question 36(c) applies to the CRC for those foster family homes newly licensed on or after October 1, 2008 (or the title IV-E agency's approved delayed effective date for the fingerprint-based check of the NCID). For the noted foster family homes, federal requirements under § 471(a)(20) of the Act mandate the title IV-E agency to document a CRC that includes a fingerprint-based check of the NCID. [ACYF-CB-PI-10-02]

For the IV-E review, the CRC requirement is considered met for the PUR for those foster family homes newly licensed on or after October 1, 2008 (or the title IV-E agency's approved delayed effective date for the fingerprint-based check of the NCID) if the documentation clearly verifies that: (1) a CRC is completed that includes a fingerprint-based check of the NCID; (2) the foster parent has not been convicted of any of the prohibited felonies listed in §§ 471(a)(20)(A)(i) and (ii) of the Act; and (3) title IV-E maintenance payments are not made for a period in the PUR prior to these conditions being met. A request for a CRC without the results of the record search is not sufficient documentation of compliance with the safety requirement.

If 'No', action taken must be to ensure the non-compliance is entered into FSFN by the Region and ensure IV-E Redeterminations generated.

RE: Foster, Adoption, and Childcare Institution Safety Requirements Request

The State of Florida respectfully requests background screening safety requirements for foster, adoptive and childcare institutions to include documentation that supports federal regulations regarding Criminal Record Checks (CRC). Additionally, packets shall include documentation that the placement meets the receiving state's standards for full licensure.

For compliance in Federal Title IV-E Eligibility On-Site Reviews, the documentation should clearly verify the following:

- (1) a CRC was completed that includes a fingerprint-based check of the National Crime Information Databases (NCID)
- (2) the foster parent has not been convicted of any of the prohibited felonies listed in §§ 471(a)(20)(A)(i) and (ii) of the Act
- (3) the date the CRC was completed and the evidence reviewed
- (4) whom the CRC was completed by

Please complete the subsequent document for verification of background screening requirements. A request for a CRC without the results of the record search is not sufficient documentation of compliance with the safety requirement.
