• The application must be signed by the individual owner/operator, or the designated representative of the corporation, and must include submission of background screening documents for the owner/operator, and approved fire and environmental health inspections (if applicable). • The issuance of the license is contingent upon the payment of any fines previously imposed as a sanction against an applicant’s license that was not contested and/or that was affirmed through the administrative process or an administrative hearing.

• The family day care home license is issued for the physical address location notated on the completed application.

• The license is issued by the Department to an owner/operator for a single location and is non-transferable between owners and locations.

• The Department has a 90-day time limit for approving or denying the license once the completed application has been submitted. Remember: An application is not complete until all requirements have been submitted. The submission of a completed application starts the 90-day “clock” for the approval or denial of the license.

• For the purpose of issuing a license, any out-of-state criminal offense, which if committed in Florida would constitute a disqualifying felony offense, shall be treated as a disqualifying felony offense for screening purposes.
