Instructions: All information on this application must be truthful and correct. Complete this application in its entirety, as appropriate. Not all sections apply. Incomplete applications will not be accepted. Please contact the licensing agency if there are any questions relating to this application.

- The license, if approved, will be issued in the name of the owner/operator. The owner/operator may be an individual or a corporation, and the license must be posted in a conspicuous location where the large family day care home is operating.

- The application must be signed by the individual owner/operator, or the designated representative of the corporation, and must include submission of background screening documents for the owner/operator, and approved fire and environmental health inspections. A large family day care home will be issued in the name of the owner and for the physical address location identified on the application.

- An application is not considered complete until all documents are received, which includes submission of background screening documents for the owner/operator, licensure fee, and approved fire and environmental health inspections. Must also obtain and provide approval from local zoning and building code offices and Home Owner’s Association prior to the submission of the application.

- A completed application for renewal of an annual license must be submitted to the licensing authority at least 45 days prior to the expiration date of the current license to ensure that a lapse of licensure does not occur. Failure to submit a completed application at least 45 days prior to the expiration date of the current license constitutes a licensing violation as defined in paragraph 65C-20.008(3), F.A.C.

- The issuance of the license is contingent upon the payment of any fines previously imposed as a sanction against an applicant’s license that was not contested and/or that was affirmed through the administrative process or an administrative hearing.

- The large family day care home license is issued for the physical address location noted on the completed application.

- The license is issued by the Department to an owner/operator for a single location and is non-transferable between owners and locations.

- Every large family day care home must hold a valid license or registration prior to operation.

- Within 30 days of receipt of the application, the Department must notify the applicant in writing of any error(s) or omission(s) on the application and any additional information needed for the application to be considered complete.

- The Department has a 90-day time limit for approving or denying the license once the completed application has been submitted. Remember: An application is not complete until all requirements have been submitted. The submission of a completed application starts the 90-day “clock” for the approval or denial of the license.

- For the purpose of issuing a license, any out-of-state criminal offense, which if committed in Florida would constitute a disqualifying felony offense, shall be treated as a disqualifying felony offense for screening purposes.

*FOR INITIAL LICENSES and RENEWALS: Issuance of an Initial License or Renewal of this license is contingent upon the payment of any fines previously imposed as a sanction against this license that was not contested, or that was affirmed at an administrative hearing. If, at the time of this license renewal application, there is a pending administrative hearing resulting from a proposed fine, it shall not affect the renewal of this license.
