   Pictoral Review of One Church One Child’s Service FY 2018-2019 .......... 17
Fiscal Year 2018-2019 marked 31 years of successful service for One Church One Child as a working partner in Florida’s Child Welfare System, helping to increase permanency for children. The overarching need for additional family resources and faith partners to come to the table as a part of the integrated system of service, dictates the continued necessity of maintaining One Church One Child’s diligent efforts in recruiting families interested in adopting, fostering and mentoring minority and older children, as well as faith partnerships. One Church One Child helps the state in addressing the critical issue of disparity and over representation of minority children in the foster care system.

One Church One Child is a proven model program that mobilizes and engages members of the faith community using a grassroots approach to communicating the situation of children in foster care and the urgency in having their involvement in addressing the needs of children for permanency and support, as well as the need for support of local families.

This Annual Report provides an overview of the many work efforts and accomplishments of One Church One Child over the 2018-2019 Fiscal Year, in reaching out to communities, connecting to new resource partners for children and families as a means of supporting the Department of Children and Families and Community Based Care’s goals of ensuring permanency for children placed in the foster care system.

Through the leadership of an active Board of Directors, committed staff and volunteers who serve on local advisory committees or serve as university interns, have all added value to a high level of commitment to supporting outreach efforts across Florida.

Submission of this report includes special acknowledgement and recognition with appreciation to all of the churches, individuals, communities, businesses, foundations and governmental partners who have joined in collaborative partnerships to help make a difference for children who are in foster care and local families throughout the state.

Sincerely,

Rev. Beverly Hills Lane
President

Dr. Arie Sailor
Executive Director/CEO

“Increasing permanency for Florida’s children through prevention, intervention, adoption promotion, and support for families.”
**Mission**

Our mission is to partner with churches and the greater community to increase permanency for minority children through prevention, intervention, adoption promotion, and family support services.

**Vision**

One Church One Child of Florida’s vision is to be the premier leader in supporting permanency for minority children through prevention of maltreatment, intervention, adoption promotion and support for families.

**Values**

- A holistic/faith approach
- Respect for the varied dimensions of individuals and families
- Recognition of the importance of relationships
- Empowerment of those we serve
- Partnerships and collaborations in communities
- Provision of high-quality, sufficient, consistent, integrated, timely and transparent services
One Church One Child’s (OCOC) legislation and its corporate mission cite the adoption of minority children as its primary goal. To that end, Board Members and staff predominantly reach out to communities through pastors and churches to recruit families to adopt, foster or mentor children from foster care. The basic principle of the organization is to “find at least one family per church to adopt, foster or mentor at least one child from foster care.”

**Plans for the year included:**

- **Resources** – Resources would be organized by determining regional adoption goals based on the number of children on the Explore Adoption website.
- **Referrals** – Families would be referred to Community-Based Care (CBC) Lead Agencies or other child-placing agencies in Florida for adoptive parent training prior to completion of an adoption home study; foster parent training prior to completion of foster home licensure or approval as a mentor.
- **Recruitment** - OCOC would recruit churches within regions by presenting OCOC’s case for support, explaining procedures and support tools, answering questions, and confirming participation with churches signing a Memorandum of Understanding (MOU).
- **Publicity** – OCOC would help publicize the need for adoptive parents, using flyers, inserts, radio, television, newspapers and social media platforms. Photos of available children with brief information on the children and related information would be shared with local media and with participating churches.
- **Connecting with all six (6) of the Department of Children Regions in the Child Welfare Network**, OCOC would sponsor major adoption/foster care/mentor recruitment events as a call to action in educating and engaging churches and other community leaders in addressing the crisis of waiting minority children.
- **Results** – OCOC would track and monitor all referrals of families with reports to the Department of Children and Families (DCF) and the Community-Based Care Lead Agencies, in addition to completing a year-end report.

In planning, preparing and implementing the goals for the year, the board members donated countless hours of time and effort, participating in board meetings, subcommittees, workgroups, and small session meetings.

One Church One Child was first implemented in the State of Illinois when the Secretary of the Illinois Department of Human Services, Greg Coler, and Deputy Secretary Gordon Johnson sought out Father George Clements to help them in addressing the disproportionate number of minority children lingering in foster care. In 1988, Greg Coler became Secretary of the Florida Department of Children and Families and implemented the successful minority adoption recruitment program in Florida. In 1990,
the Florida Legislature passed the One Church One Child of Florida Corporation Act (section 409.1755, *Florida Statutes (FS)*). This Act mandated OCOC to operationalize as a non-profit corporation with a Board of Directors appointed by the Governor. The program currently has a 23-member Board of Directors to carry out the intent of the law. Board members serve a minimum three-year term. The Board was appointed/reappointed July 8, 2015 by Governor Rick Scott, with 13 of the 23 slots currently filled.

**Summary of the Organization**

One Church One Child operates out of a statewide headquarters located in Tallahassee and has satellite offices in Jacksonville (Northeast Region), Plant City (SunCoast Region) and West Palm Beach (Southeast Region).

The headquarters office includes a full-time Executive Director, Deputy Director, Community Coordinator, Administrative Assistant and volunteers. The Executive Director and Community Coordinator were hired in January 2003; the Deputy Director was hired in October 2007; and the Administrative Assistant was hired in September 2013. The satellite offices in Jacksonville and Riverview include a Recruitment Coordinator at each site. The Jacksonville staff member was hired in November 2018, and the Plant City staff member was hired in September 2010. The West Palm Beach office is staffed by a part-time Volunteer Adoption Recruiter.

OCOC works in partnership with churches, local businesses, agencies and such entities as Daniel Memorial, Inc., Chapters of Buffalo Soldiers in Tallahassee, Jacksonville, and Tampa, the Governor’s Office on Adoption and Child Protection, local Heart Galleries, Florida A&M University (FAMU) and Florida State University Social Work Programs, the FAMU School of Business & Industry Program, the Florida Coalition for Children, Family Support Services of Northeast Florida, ChildNet, Communities Connected for Kids, Eckerd Connects Community Alternatives, Partnership for Strong Families, OurKids Miami-Dade and Monroe, Children’s Network of Southwest Florida, Families First Network, Florida Baptist Children’s Home, Children’s Home Society, Boys Town North Florida, Big Bend Community Based Care and other community-based care agencies. OCOC continues its partnership with the Department of Children and Families.

OCOC of Florida also works with the national chapter of One Church One Child and the Child Welfare League of America Faith Advisory Committee (CWLAFAC). In partnership with these entities, OCOC has worked on initiatives to help increase the involvement of the faith community in child welfare services.
State Board Members, advisory committee members and staff, in conjunction with members of the community, have been involved in efforts to recruit adoptive and foster families and mentors. Volunteers also have worked with the state board members to support local recruitment efforts, and those volunteer hours are captured on OCOC time tracking logs. Statewide statistics show that this year 4,313 volunteer hours were logged by advisory committee members, university interns and other volunteers, while 1,669 volunteer hours were logged by state board members, for a total year-to-date of 5,982 volunteer hours. The total volunteer hours were valued at $77,766. Volunteer hours were calculated from the number of hours State Board Members and local Advisory Committee Members donated to One Church One Child through recruitment activities. The total dollar value was calculated by multiplying the total number of volunteer hours by the allowed $13.00 an hour.

Since its implementation, One Church One Child has experienced changes and transitions from a program of the Department of Children and Families, to a licensed child placing agency, and currently a nonprofit adoption recruitment and support organization. In fulfillment of this role, One Church One Child utilizes a successful focused approach to increase adoption resources and engage additional churches in partnering to recruit families interested in adopting, fostering and/or mentoring. This report also highlights the agency’s overall accomplishments for state fiscal year 2018-2019.
