

Therapeutic Services for Children Purchases (100806 Funds) Semi-Annual Report for FY 2015-2016

Report Date:

Purchase of Therapeutic Services for Children (100806) funds provided to the Lead Agencies in their Annual Schedule of Funds must be spent in accordance with the Guidance Document for Use of 100806 Funds. To ensure the purchase of Therapeutic Services for Children (100806) funds are being spent as required, each Community Based Care Lead Agency will submit this bi-annual expenditure report to their Department contract manager for the 100806 funds expended.

This report is due bi-annually.

The bi-annual report will include the following items:

1. Name of the Lead Agency
2. Individual completing the report.
3. Total 100806 funds allocated
4. Total 100806 funds expended
5. Unduplicated count of the total number of children served, for the year to date, using the 100806 funds.

Services and Supports Purchased: If the services and supports listed below are covered by Medicaid, include the reason(s) as to why 100806 funds were used (no Medicaid provider in the area, maximum Medicaid services received, etc.).

6. Brief summary/examples of assessment and treatment services purchased using the funds.

7. Brief summary/examples of support services purchased using the funds.
