INTERAGENCY AGREEMENT

Introduction

1. The parties to this Interagency Agreement (hereinafter referred to as the “Agreement”) are the Florida Department of Children and Families (hereinafter referred to as “DCF”) and the Florida Coordinating Council for the Deaf and Hard of Hearing (hereinafter referred to as “FCCDHH”).

2. DCF is a department of Florida state government pursuant to section 20.19, Florida Statutes. FCCDHH is a Florida state coordinating council created by section 413.271, Florida Statutes. Both parties acknowledge that DCF and FCCDHH are “agencies” as defined in section 20.03, Florida Statutes.

3. This Agreement becomes effective as of the date signed by both parties. This Agreement terminates upon termination or expiration of the Voluntary Resolution Agreement between DCF and Department of Health and Human Services, Office for Civil Rights, Region IV, effective January 26, 2010, herein after “Settlement Agreement”, or on an earlier date as determined by DCF, upon written notice by DCF to FCCDHH.

Purpose of Agreement

The Settlement Agreement resolves specific issues addressed in complaints filed against DCF by DCF Customers or their Companions who are deaf or hard-of-hearing, as well as violations of Section 504, Title II, and regulations promulgated under those authorities, by DCF. The Settlement Agreement requires DCF to take measures designed to ensure that necessary auxiliary aids and services are provided to deaf and hard-of-hearing citizens who come into contact with DCF.

6. As part of the Settlement Agreement between OCR and DCF, DCF is required to convene an Advisory Committee composed of professionals from the nonprofit and government
sectors who work with or on behalf of deaf or hard-of-hearing persons in Florida to provide technical assistance to DCF in the development and implementation of the provisions of the Settlement Agreement. (See Section E.4 of attached Settlement Agreement).

RE:         Estimated costs for Ad Hoc Committee for DCF

Pursuant to our conversation earlier in the week, the following are estimates and
breakdowns for planning purposes for the newly formed Ad Hoc Committee. I’ve set out
estimated cost scenarios for (a) advertising/notice of the meeting; (b) teleconferences and
(c) face-to-face meetings, based on a nine-member committee and you and one staff
member. When planning for a face-to-face meeting, depending on your wishes, the
meeting may or may not be available telephonically, so those charges may or may not
apply to those meetings. What follows is typical for FCCDHH meetings:

(a) Advertisement/Noticing the Meeting: We have a free meeting notice site at
    DOH where I advertise Council meetings, and our own council website is “free”, but
    advertisement through the FAW is $1.49/line. A typical meeting notice with FAW
    runs about 25 lines, so one notice would average $37.25.

(b) Teleconferences:

    (1) Teleconference line: Base Cost is $0.035/minute times the number of callers;
        therefore, an hour-long call with 15 participants would cost $31.50.

    (2) CART: Your CART contract should include capability of on-site CART,
        remote/streaming CART, projection screen (if on-site), and delivery of transcript
        within 48 hours of the conclusion of the meeting.

(c) Face-to-Face Meetings:

    (1) Venue/meeting space: This list is as inclusive as possible here, but not all
        elements will be required at every meeting. The meeting room can run up
        to $500/day and the AV needs in addition can be as high as $900/day.
        Sometimes the meeting room itself will be comped, but AV (everything
        except the room itself) is often subbed out to a separate contractor. They
        pretty much can charge what they want—oftentimes the hotel has a “you
        can’t bring your own stuff” policy. I usually ignore that when it comes to
our “sound”—we contract with CODASound, and because the Council’s needs are so specialized, it is doubtful anyone with an AV company can give us what we get from CODASound for the same or less money. Therefore, the following list excludes amplification needs:

a. Meeting room (U-shaped or roundtable setup for 11 people), $500/day
b. Water station (if hotel)
c. Table for CART provider
d. Guaranteed Internet capability for CART provider
e. Projector and screen (Optional)
f. Telephone (polycom) (Optional)
g. Telephone line (outside) (Optional)
h. Flip chart and easel (Optional)
i. If hotel, sleeping rooms under $100/night

(2) Travel: For the upcoming Council meeting in Fort Lauderdale, which is a two-day meeting, the total estimated travel costs averaged out to $538.32/traveler. This may be a little high, because it is Fort Lauderdale. Our DOH meeting guidelines promulgated in 2004 estimated $400/traveler. Realistically, I would bump it to at least $500/traveler. For instance, the Governor’s Commission on Disabilities has a meeting coming up on November 9, which starts at 9:00 am and is scheduled to run until 5:00 pm. For anyone traveling from out of town, that means travel to Tallahassee on November 8 and travel home on November 10 (basically three days for a one-day meeting).

(3) CART: You should be able to get CART for $140/hour, plus prep time. Prep time typically includes travel for the CART provider, so they estimate what it will cost them to get to a meeting and charge accordingly. It is reasonable, and also includes studying the meeting materials beforehand and updating their dictionaries for that specific group.

(4) Interpreters: You can get interpreters for between $50--$75/hour, plus prep time. Our current interpreter providers charge $58.90/hour and waived prep time, but that is not typical.

(5) Sound/Amplification: Depending on the participants, you may or may not need amplification. When FCCDHH committees meet in small groups, we don’t use amplification. It all depends on the meeting facility, acoustics, etc.

(6) Telephone: Telephone charges as stated above in (b)(1) would apply if you choose to make your meeting accessible telephonically.
