SECTION IV – TI Special Terms and Conditions – 1H79TI080273-01

REMARKS:

This Notice of Award (NoA) is issued to inform your organization that the application submitted through the State Targeted Response to the Opioid Crisis Grants, Funding Opportunity TI-17-014, has been selected for funding under the Opioid STR Program, as authorized by Section 1003 of the 21st Century Cures Act, as amended.

SPECIAL TERMS OF AWARD:

DOMA: On June 26, 2013, in *United States v. Windsor*, the Supreme Court held that section 3 of the Defense of Marriage Act (DOMA), which prohibited federal recognition of same-sex spouses/marriages, was unconstitutional. As a result of that decision, SAMHSA is no longer prohibited from recognizing same sex marriages. Consistent with HHS policy and the purposes of SAMHSA programs, same-sex spouses/marriages are to be recognized in this program. This means that, as a recipient of these funds you are required to treat as valid the marriages of same-sex couples whose marriage was legal when entered into. This applies regardless of whether the couple now lives in a jurisdiction that recognizes same-sex marriage or a jurisdiction that does not recognize same-sex marriage. Any same-sex marriage legally entered into in one of the 50 states, the District of Columbia, a U.S. territory or a foreign country will be recognized. However, this does not apply to registered domestic partnerships, civil unions or similar formal relationships recognized under state law as something other than a marriage.

In accordance with the requirement in the Funding Opportunity Announcement (FOA) Number TI-17-014 State Targeted Response to the Opioid Crisis Grants (Short Title: Opioid STR), the

following Special Terms of Award must be adhered to over the entire project period.

- Opioid STR funds shall be used to fund services and practices that have a demonstrated evidence-base, and that are appropriate for the population(s) of focus.
- All individuals that are served in Opioid STR funded treatment and recovery support services shall be identified through the standard demographic and clinical reporting requirements of the Treatment Episode Data Set (TEDS).
- Opioid STR funds shall not be utilized for services that can be supported through other accessible sources of funding such as other federal discretionary and formula grant funds, e.g. HHS (CDC, CMS, HRSA, and SAMHSA), DOJ (OJP/BJA) and non-federal funds, 3rd party insurance, and sliding scale self-pay among others.
- Opioid STR funds for treatment and recovery support services shall only be utilized to provide services to individuals with a primary diagnosis of an opioid use disorder or to individuals with a demonstrated history of opioid overdose problems.
- Grantees are expected to report data as required in the FOA and to fully participate in the cross-site evaluation of this program.
