

FASAMS Job Aid

View Job via Portal

To receive access to the FASAMS system, a FASAMS System Administrator must create an account in the system for the new user after all appropriate documentation, training, and certifications have been completely, as stipulated by DCF.

To view FASAMS file submission information via the Portal, you must first Submit a file to the system using the Upload screen. Please see the FASAMS Job Aid – *View Job via Portal* job aid to see the Submission process.

1. Jobs can be sorted by Name, Submitter, User, Date, Status, Successful, Errors, and Warnings. After submitting a file or multiple files, sort the list of jobs to find a specific Job.
