FASAMS Stakeholders Report

3. Upcoming Changes and Noteworthy Details

- Enhancements for Q4 FY2018-2019 will continue to be gathered over the next several weeks, and enhancements for Q1 FY2019-2020 will be included in the long-range enhancement plan. Please note the enhancements for the Q4 release are still being reviewed and are not final. The current list is available in section 8 Q4 Enhancements below.
- FEI will continue to address reports that are running slower than expected. FEI will work over the next several weeks to increase the performance of the reports.
- The FASAMS Support Team continues to validate the accuracy of data in various FASAMS reports and to identify issues that need to be fixed (e.g., calculation of units and amounts contracted versus units and amounts earned for various projects.)
- Note that there is a monthly maintenance window on the third Saturday of each month from 6 a.m. – 10 a.m.
- The FASAMS Support Team will start to transition their assignments to DCF staff between now and June 30, 2019.
